Before and After School Care

When they're not at school, your children are safe and sound at Little Leprechaun

Drop your kids off on the way to work and we'll serve them a hot, freshly-prepared breakfast before seeing them safely onto the school bus.

After school they can enjoy a nutritious snack, get help with their homework assignments or play games and hang out with their friends.

Special activities are planned for school holidays and snow days promise outside fun, movies or guest visitors.

Tough day at work? When you pick up the kids, you can also pick up a gourmet take-out meal the whole family will enjoy.

Please note that field trip dates and destinations will change due to weather and environmental conditions outside of our control.

Call today and reserve your child's place for the most exciting and memorable summer program in the area!

ADVENTUROUS LEARNING

at Camp Leprechaun is a
Summer Like No Other!

Make This Your Child's
Most Memorable
Summer Ever!

The Most Exciting Destinations

This year we'll be getting wild at Mad Science, splashing around at Parky's Ark, visiting with prehistoric dinosaurs at the Omnimax, throwing strikes at Mason Bowl, camping out in our PJs, heading out to the country at Sunrock Farm, and cheering on the Cincinnati Reds. We'll also be enjoying the weather and having fun at Sharon Woods, Heritage Park, Newport Aquarium, Sawyer Point, and The Un-Museum. There is something new and exciting planned for every day of the summer!

Indoor at Camp Leprechaun

Your child will always have a great day, even when the weather doesn't cooperate! Our summer camp rooms are stocked with arts and crafts, internet PCs, games and books. You can also feel confident that he will keep his academic skills sharp for next year! Each day our experienced summer camp teachers will set aside quiet time and will work with your child on a grade-appropriate summer bridge activity book. And don't forget about our famous home-style lunches (prepared on-site by our gourmet chef!) and our EXCLUSIVE parent-controlled robotic web cams.

No Hidden Fees

Other summer camp programs may appear to cost less – but watch out for “extra” charges for field trip admission, registration, lunches, or materials. There are no hidden fees of any kind — your weekly tuition covers everything!

NEW! Time Capsule 2009

Throughout the course of the Summer and on field trips your child will collect memories of their adventures, storing those mementos in a Time Capsule at the end of Summer Camp. It will include their picture, a group photo, and a questionnaire about their current relations and future plans and goals, all stored and waiting to be opened at the beginning of next year's Camp Leprechaun.

In addition, your child will be scrapbooking their Summer for a “mini-time capsule” of their own which they will take home at the end of the Summer. This will include photos, drawings, notes, and other keepsakes from their adventures to keep and cherish forever.

Safe Transportation

We oppose the use of potentially-deadly passenger vans for the transportation of students. Your children will travel to and from field trip destinations in our NTSB-approved school buses.

Flexible Scheduling

You can choose to enroll in our full-time 12-week summer camp, part-time summer camp (2 or 3 days a week), or choose specific week(s) you'd like your child to attend. We make it easy!
