

Little Leprechaun Academy is now taking 2011/2012 Registrations for its Acclaimed Chartered Kindergarten Program!

The Program You Choose Makes All the Difference

Or a Year of Advantages?

A Year of Kindergarten?

What's in Store for Him?

**We Accept Younger Children!**  
Early Placement Programs Available  
Most area schools will only accept students who are 5 years old on August 31.  
Little Leprechaun will accept children who will be 5 on or before Dec 31, 2011 if they are emotionally and intellectually ready for Kindergarten.

## You'll See Why More Parents Choose Little Leprechaun Academy

### What Makes Us Different is What Makes Us So Popular With Parents

#### Exceptional Teachers

Bright, energetic, experienced, and bachelor-degreed, our teachers are really a cut above the rest. As our extremely low turnover suggests, Little Leprechaun teachers are happy and enthusiastic about teaching your children. Our teachers are certified by the State of Ohio to teach Kindergarten through primary grades.

#### The Chartered Advantage

Since we are chartered by the Ohio Department of Education as a private school, we're held to much stricter standards than other Kindergarten programs. From the caliber of our teachers to the quality of our curriculum, you'll recognize that being chartered makes a world of difference.

#### Full Day Kindergarten

A recent study of Ohio middle-class students found that by 3rd grade, students who attended a full-day kindergarten posted higher math, reading and writing scores than those who attended a half-day program. Full-day Kindergarten is the best way to equip your child for above-average performance in primary grades – the building blocks for a lifetime of successful learning.

#### Best-Practice Curriculum

It has been proven that a recipe card approach to curriculum development is not the best way to meet the needs of Kindergarten children. Together with our Curriculum Advisor, who is an author and graduate professor of early childhood development, we've chosen the most results-oriented components of highly researched educational approaches and combined them to build a curriculum that is unique to Little Leprechaun and creates the very best, most nurturing learning environment.

#### Nutrition and Safety

Unlike any other Kindergarten program, Little Leprechaun provides nutritious, home-cooked meals prepared by our on-site gourmet chef. We never serve processed foods – just the good stuff. It's even available for parent take-out!

Safety is a top priority at Little Leprechaun. For that reason, we oppose the use of potentially-deadly passenger vans. We use only safe, NTSB-approved school buses for the transportation of students.

#### Exclusive Enrichments

What other kindergarten program provides free French-as-a-Second-Language instruction? Research has demonstrated that learning a second language provides children with increased self-esteem, a greater ability to master English, and even the ability to perform higher in math and logic skills. Check out our on-site Webby Dance and Karate classes, too.

#### And Nobody Can Match Our Exclusive Services for Busy Parents!

- Chef-prepared, gourmet take-home meals
- Dry-cleaning drop-off and pick-up service
- Free Starbucks coffee each morning
- Extended hours from 6:30am until 7:30pm
- Bi-weekly "Parent's Night Out" childcare until midnight
- Robotic, parent-controlled classroom web cams

#### Little Leprechaun Academy

*Our Kindergarten is Chartered Through the Ohio Department of Education*

Dept of Ed Requirements:

- Our Kindergarten teachers are required to have a Bachelors Degree in Education and be certified by the state of Ohio.
  - Our curriculum is reviewed and approved by the Ohio Department of Education
- Our graduates are assured placement in the public 1st grade
  - We have state support for acquiring the best teaching tools and learning aides
- We're held to strict Department of Education Standards

**Our Kindergarten teachers have earned their bachelors degree and are certified to teach Kindergarten through primary grades**

**Can accept children who will be 5 on or before Dec 31, 2011 \***

**Full-day Kindergarten Program**

**French and Spanish Language Instruction**

**Nutritious home-cooked meals prepared by our on-site gourmet chef**

**Elaborate and innovative field trips rich in culture. The other schools can't compete**

**NTSB-approved school bus transportation**

**PLUS, Little Leprechaun Leads the Industry in the Application of Technology in the Classroom:**

- Multiple Internet-Connected PCs in Every Classroom
- Email Accounts for Every Student
- Hands-on PC Instruction and Assistance

#### Other Schools

*Their Kindergarten is Licensed Through the Ohio Department of Job and Family Services*

ODJFS Requirements:

- Kindergarten teachers are required to be 18 with a high school diploma or equivalency.
  - No defined curriculum standards
- Not a chartered program so there are no placement guarantees
- Teaching tools are only as good as the center chooses to purchase on their own
- Held to state daycare standards only

**Many of their teachers hold only a CDA degree - requiring just 6 months of study!**

**Will only accept children who are 5 on August 31, 2011**

**Most programs are still half-day**

**Most offer no foreign language program**

**If meals are provided, count on processed meals of hot dogs and macaroni and cheese.**

**Infrequent field trips to the same stale destinations**

**Still using potentially-deadly passenger vans that have been banned by most states**

**The Nation's Only Centers with Robotic, Parent-Controlled Web Cams**

Enjoy real-time, full-motion classroom views, with the ability to pan, tilt, even "super zoom" right in on your child while in class, during quiet time or while creating works of art.

\* Early placement assessment necessary
